

## Your Local Farmers' Market

# Be a Part of the Growing Movement!

M.A.R.S.S. (Music, Arts and Recreational Society of Stockton) would like to bring forth a rainbow of fresh, locally grown, delicious fruits and vegetables to start helping people enjoy all the benefits these locally produced items bring to the table. When you vend with us, you're not only supporting the local farmers who help keep our community growing, you're also showing how a small community like Stockton can grow and sustain when it comes to producing local foods, goods and fine art products.

### We need you!

Locally Grown Fruits & Vegetables • Produce • Locally Made Art and Goods •  
• Artisan Breads & Desserts • Locally Sourced Meats & Dairy Products •  
• Cooking Demos • Art Workshops • Live Music
